Highest number of children in the Orphanage at any one time was 21, four of whom were placed in good homes. The Orphanage was started over two years ago by the late Elder G. Bennett Adams.

At present, a campaign for funds to carry on the work of the Orphanage is being conducted throughout the County.

Hazard, Carr Creek Victorious In Opening Round Of Regional

The Carr Creek Indians and Hazard Bulldogs scored impressive wins over Whitesburg and Powell County in last night's opening rounds of the 14th. Regional Tournament in Hazard's spacious Memorial Gym.

In the opening game of the tourney, Carr Creek's amazing Indians put on a shooting exhibition for over 3000 fans as they soundly defeated last year's regional champion Whitesburg Yellowjackets by an 82-54 score.

The Indians led all the way after George Frances hit a crisp and free throw to give them a 3-0 lead in the opening seconds of play.

With a minute and a half remaining in the first period, Coach Johnson's boys enjoyed a nine point lead, 18-9. They began to play a slow type ball and Whitesburg hit for six points while the Indians went scoreless to make the quartertime score 18-15, Carr Creek.

Whitesburg came within one point of the Indians as Sexton hit a push shot with ten seconds gone in the second

quarter. Carr Creek stepped back out in the lead and by halftime the score read: Carr Creek 36, Whitesburg 30.

The Indians turned on the steam in the third quarter and started tipping and hooking over the smaller boys. During this period they scored 30 points to Whitesburg's 14. Score at the end of the quarter 68-44, Carr Creek.

Toward the end of the fourth quarter Carr Creek had increased its lead to thirty points—81-51. Whitaker hit a crisp and Tolliver a set shot for Whitesburg and Amburgey sank a foul shot for Carr Creek as the scoring ended. Carr Creek 82, Whitesburg 54.

Leading the scoring for both teams, Carr Creek's Sam Smith hit for 11 field goals and five free throws for a 27 point total. His teammate, George Frances, followed close behind with 26. Tolliver was high for Whitesburg with 18.

Hazard's high scoring Bulldogs pulled a surprise to rate with that of the Carr Creek victory as they downed a highly rated Powell County five 77-54.

The first half between these two teams was similar to that of the Carr Creek-Whitesburg game in that neither team was too far ahead of the other in scoring.

The Bulldogs led at the end of the first quarter 16-12, and went to their dressing room at halftime with a 38-30 score.

Led by Roscoe Shackelford and John Bowling in the third quarter, the Bulldogs built their lead up to 60-48 by the end of the quarter.

Powell County cut the lead to ten points early in the fourth quarter but ran out of steam as Hazard continued to run them all over the floor. The Bulldogs scored 17 points to the Pirates' six during this period to make the final score 77-54, Hazard.

Dick Keffer led the scoring with 27 points on ten field goals and seven free throws. Shackelford was second high with 18. Hurst, of Powell County, hit for 14 and Nelson White had 14.

Attendance at the game was given as 6313, the largest crowd to ever witness a 14th. Regional opener.

Two winners of last night's games will meet in a semi-final match Friday night. Fleming-Neon v. Viper and Hindman v. Wolfe County are on the program for tonight.

Sheriff Searches For Store Thief

Sheriff Hassel Stamper was searching this week for the thief or thieves who broke into the V. B. Frazier store at Premium Saturday night and stole about \$350.00 worth of merchandise.

The Sheriff was not informed of the break-in until Monday and clues were few and far between at that time. Entrance to the store had been gained by knocking out a panel of the back door and lifting the door latch.

Included in the loot from the general merchandise store were shoes, pants and other wearing apparel. A search of many places where loot could have been hidden failed to turn up anything.

City Theater May Reopen

Whitesburg's Kentucky Theater, which has been closed since shortly after Isaac's Alene Theater was open to the public, may be in operation again in the near future, Alene manager Salene Thomas said today.

According to Mr. Thomas, who is in charge of the Alene and Kentucky theaters at Whitesburg, both of which are owned by Joe Isaac, plans call for opening the Kentucky theater during the summer months only.

He said the types of movies to be shown at the theater when it reopened have not been decided upon yet.

A face lifting for the theater has been planned early this spring. At present owner Joe Isaac is awaiting permission from the State Fire Marshall to open the theater.

Five Marriages Listed During Past Week

Five marriage licenses were issued during the first eight days in March, County Clerk Charlie Wright said today.

The month's marriage licenses issued got off to a good start when the application of Floyd Smith, 60, and Mrs. Ava Carter Smith 42, both of Banks, was accepted.

Five days later, on Thursday, March 6, Rex Blair, 20, and Delores Adams, 19, were married at Whitesburg by Reverend Ison. He is the son of

Veteran Dies In Accident

Jesse McFall, 29, son of Mr. and Mrs. Creed McFall, of Whitaker, was killed instantly Sunday morning when the car in which he was riding left the highway and hit an embankment at Boldman, in Pike County.

An employee of the Denison Engineering Company in Columbus, Ohio, for the past two years, Jesse, along with his brother, Hillard, was on his way home to visit his folks. The father, Creed McFall, had been ill for some time and the two sons were going to pay him a surprise visit.

Time of the accident was given as 6:30 o'clock Sunday morning. Hillard, the only other occupant of the car, was slightly injured suffering minor bruises.

Besides his parents and his brother, Hillard, Jesse is survived by six sisters, Mrs. Johnny Fulton, Whitaker, Mrs. Marie Collier, Kona; Mrs. Nora Hall, Beaver; Mrs. Lou Bentley, Louisville; Mrs. Inis Gibson, Neon; Mrs. Frank Fulton, Millstone, and one other brother, Millard McFall, Crotona.

A veteran of World War II, Jesse served 35 months overseas with the U. S. Army. He was a veteran of Saipan, Tinian, and Okinawa.

Born at Millstone, March 4, 1923, he attended Fleming-Neon High School and was married to Martha Honeycutt, of Neon. They had no children.

Funeral services were held at Kona Tuesday afternoon and burial was in the I. Holbrook Cemetery, Tolliver Town.

Jenkins May Get Drive-In Theater

The Jenkins Theatre Company filed an application Saturday for a permit to operate a Drive-In theatre at Potter Gap, near Jenkins, County Court Clerk Charlie Wright announced.

The application filed by Francis L. Rice attorney for the theatre company, will be considered at a hearing Monday April 7 1952, at 1:00 p. m.

Location for the proposed theatre was given as "on south side of U. S. Highway, 119, just west of Potter's Gap, between the waters of Elkhorn Creek and Potters Fork—between Jenkins and Haymond."

The Jenkins Theatre Company, owners of the Jenkins Theatre, Jenkins, Ky. is a West Virginia corporation organized in 1948.

Drama Class Presents "State Festival" Play

An opportunity to see the play which earned a "State Festival" rating for the Fleming-Neon High School drama class was offered to the public Tuesday night, March 11 and a large crowd was reported in attendance.

The play, a one-act drama entitled "Comin' Round The Mountain" was presented by the drama class because the many requests received for a performance before the home folks.

At the State Drama Festival to be held at the University of Kentucky in Lexington March 17 and 18, the Fleming-Neon students will present the same play which they offered to the public Tuesday night.

Sidewalks And Streets Receive Attention At Council Meeting

City Gives Plans For Sewage Plant

The City Council of Whitesburg started the ball rolling toward a new sewage disposal plant for the city Tuesday night.

Realizing that action must be taken quickly on the plant, in view of the fact that Whitesburg is to have a new hospital soon, the Council declared itself open to hear representatives of various engineering companies.

City Clerk Earl Day was instructed to notify some accredited engineering companies and asked that representatives of such companies set a date to appear before the Council, which is willing to hold special meetings anytime the representatives decide to come to town.

First move toward the actual construction of the sewage plant will be a preliminary survey by an accepted engineer. After the survey and a cost estimate, bonds will be floated for the project.

Sidewalks and streets received a major share of attention at Tuesday night's meeting of the Whitesburg City Council.

First problem discussed on the agenda was the need of widening the sidewalk on Bentley Avenue, which runs from the Craft Funeral Home to Lee Adams'.

The walk is too narrow to

allow two persons to walk abreast most of its length and even with one person walking it there is danger that a large truck may side-swipe the pedestrian.

A committee was appointed to look into the situation. The committee was also instructed to look into all city sidewalks needing repair. A list of sidewalks in bad need of repair had been handed to the Mayor at the beginning of the meeting.

The traffic situation, especially the blocking of city streets by large trucks unloading merchandise at Main Street business houses received a good portion of the three hours the Council was in session.

A suggestion discussed was designating loading zones on each side of the street at hours when large trucks usually unload their produce. In such zones the parking meter heads would be covered and only the trucks wishing to unload would be allowed in the zone.

It was also suggested that a parking meter on each side of the street be covered on Saturday and designated for use by taxies and autos loading groceries from various stores along Main Street. Such a move would prevent the double parking and traffic hold ups which occur along Main Street on busy days.

The traffic bottleneck at the alley between Day's Grocery and the Bank building offered major concern for the Council since the only solution is knocking off a curb and using the low sidewalk as part of the alley, thus widening the road enough to allow two vehicles to pass. Large trucks parking in the alley to unload have always been a pain to traffic policemen.

Taxi driver Charlie Blair came before the Council and asked that the city bridge over the Kentucky river between the Southern Hotel and the railroad be allotted for exclusive parking use by City taxi cabs. . . and all cabs be forced to use the bridge when parking in town.

The bridge has been set off for taxi parking in the past but some taxies have stayed to other parking spaces about town and there is no law preventing their doing so as long as they feed the meters.

Mr. Blair, representing a majority of the city's taxi drivers, said that the taxi drivers preferred the bridge but in fairness to all every city taxi should have to stay on the bridge when parked in the city.

City Attorney LeRoy Fields was instructed to draw up an ordinance to set aside the bridge as taxi parking space. The ordinance, which will be presented at the next council meeting, would do away with all previous ordinances concerning taxi parking in the city.

Continuing his business as representative of the taxi drivers, Mr. Blair asked the city what it intended to do about the money it collected for taxi licenses from 1947 through 1950 when it had no legal right to issue such licenses.

Mayor Banks and councilmen present answered by saying they were much concerned with the question and they didn't see how the city could repay the money immediately if forced to.

"However," Mayor Banks (Continued on sports page)

Jenkins Mine Strike Ends

Approximately 600 men in the Jenkins area voted to return to work last Thursday night after being idle since the preceding Tuesday as the result of a dispute involving three men.

A spokesman for the Consolidation Coal Company, at whose mine the strike occurred, said that the dispute started because two workers had been "cursed and abused" by their foreman.

A previous report said the men walked out because the foreman worked them too hard.

Red Cross Opens Office At Whitesburg Tuesday

For the first time since July of last year, the Whitesburg office of the American Red Cross was open for service to the public Tuesday morning of this week.

Mrs. O. O. Parks, Secretary of the Letcher County Chapter, which was formed last month by combining the Jenkins and Whitesburg Chapters, re-opened the Whitesburg office at 8:30 o'clock Tuesday morning.

The office was closed at Whitesburg on July 9, 1951, because of the failure of Letcher County citizens to contribute to the Red Cross during the past several campaigns.

In December, 1950, Red Cross National Headquarters granted \$792.00 to the office at Whitesburg. During the 1951 Fund Drive, the county failed to reach its quota, which resulted in closing to the office at Whitesburg.

Mrs. Parks will be in the Whitesburg office on Tuesdays and Fridays of each week. Her office hours are 9:30 a. m. to 12:30 p. m. On other week days she will be in the Jenkins office of the Letcher County Chapter.

Meanwhile, the 1952 drive of the American Red Cross for funds got off to a slow start in the County as bad weather kept workers inside for most of the week.

Sallie Maggard Passes At Home

Last rites were held yesterday at the Dongola residence of Fritz Maggard for his mother, Sallie Maggard, 86, who died at her Whitesburg home Monday morning at 11:20 o'clock.

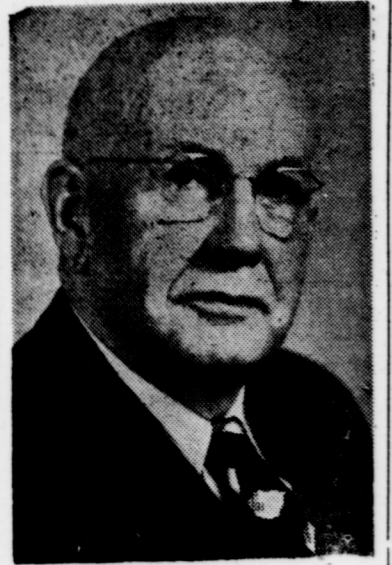

Born October 20, 1865 in Letcher County, Sallie was the daughter of Mathew Brown and Mahalie (Fields) Brown. She was married to Jim Maggard, who preceded her in death a few years ago.

Besides her son, Fritz, she is survived by three daughters, Mrs. Viola Collins, Dongola; Mrs. Nora Jent, Jeremiah, and Mrs. Nanny Gibbs, Collier Creek.

She is also survived by a host of grand and great grand children.

Sally was a life-long resident of Letcher County, spending her youth on the Cumberland River. She was a member of the Primitive Baptist Church.

Burial was in the Fields Cemetery on Cowan.

B. C. LAND

Dr. Land Heads Baptist Revival

The First Baptist Church of Whitesburg, will have Dr. B. C. Land with them for a week of Stewardship Revival beginning March 23 and continuing through Sunday, March 30, Reverend Clel B. Rodgers, pastor of the church announced today.

Dr. Land, southwilde evangelist from Jackson, Mississippi, is in much demand throughout the South and West and success has followed each of his meetings.

The doors of the First Baptist Church will be open to the public. Services will begin each evening at 7:00 o'clock. "All Christians and church members will find a joy in the Bible study and preaching this meeting will bring to them," Reverend Rodgers said.

Income Tax Facts

In less than 40 years since the beginning of the individual income tax, the number of Kentucky people sending in Federal income tax returns jumped from 3,706 to 722,472, it was disclosed today by Donald F. Nemitz, Secretary of the Kentucky Tax Research Association.

"This is just one more indication that nobody escapes taxes," said Nemitz. "The few families which aren't hit by the individual income tax are rapped just as hard or harder by other taxes, many of them hidden. Even the corporate income tax is passed on to some extent to the consumer because that's what the corporations have to do to stay in business. Citizens of Kentucky must pay \$840,600,00 as our share of the tax burden in fiscal 1953."

Saying it is "no wonder" that taxpayers the country over are complaining bitterly about the burden of taxation, Nemitz pointed out that since the first income tax law was passed in 1913, the minimum rate of the individual income tax has jumped from 1 to 22.2 percent, while the maximum rate has gone from 7 percent to 92 percent.

The number of individuals in the U. S. subject to income taxes has risen from less than 400,000 to 55 million.

"In the next fiscal year, the Federal government will take from its citizens the fantastic sum of \$71 billion," said Nemitz. "Between the present and next fiscal years, Federal tax receipts will increase by \$49 for every man, woman and child in the country. On a per capita basis, the Federal government will soon be collecting \$472 for every person in the nation."

PEAS—Although the February pea planters no doubt have planted their Alaskas and Radios, the time has come (and lasting until about April 10) for planting some wrinkle-seeded sorts, the green and sweet-flavored kinds that freeze well and can well. Alaskas are too starchy to make a fine product either way, but they are early, radio is slightly better, but as it is a

rapid grower, it can make its crop before the hot weather of May starts, if planted in late March. The wrinkle-seeded sorts are a bit more delicate, and should go in only after actual soil freezing is past.

Varieties are Laxton (or any crop before May's hot weather comes, and to help them do it, derivative) and Wando.

All peas must make their the soil should be fertile, high in phosphorus, as in the general fertilizing schemes outlined here several weeks ago.

Murder Trial Continued
For William Sally, Jr.

The case of the Commonwealth vs. William Sally, Jr., 29, who is charged with wilful murder in connection with the fatal shooting of his father, was continued for the second time in Perry Circuit Court last week.

After deliberating most of the afternoon last Friday, the jury chosen for the trial failed to reach a verdict... voting nine for clearing and three for conviction. This was the second time juries have failed to agree.

Sally is charged with killing his father, William Sally, Jr., 62, at their Brown's Fork home in June, 1950. He entered a plea of self defense, stating that his father had shot and wounded another son, Grover, 24.

Meanwhile, in Perry Circuit Court last week, two cases were dismissed for lack of evidence, one person, Adam Miller, was found guilty for voluntary manslaughter, and sentenced to 21 years. His appeal for a new trial was denied.

In an inspection of both city and county jails the Perry County Grand Jury reported unsanitary conditions prevalent and recommended that the Perry County Health Department look into the situation.

Funeral services were held last week for Clarence Gross, 41, Lohair miner who was killed instantly on the morning of March 5 when run over by the motor he was driving in the Algoma Block Coal Company mine.

A native of Breathitt County, Gross had been in the employ of the Company for 11 years.

He is survived by his wife and seven children.

Funeral services were held at the Lone Pine Baptist Church, Viper, Wednesday, March 5, for John G. Whitaker, 21, who died in the Nichols Hospital at Louisville of injuries suffered in an automobile accident the preceding Sunday.

Mrs. Joe Napier, 65, of Bulan, was laid to rest in the Lotts Creek Cemetery after passing this life at the Hurst-Snyder Hospital.

She is survived by her husband, one daughter, Betty Jo Napier, a step-daughter, Ida Grigsby, a step son Adam Napier, two foster daughters,

two brothers and three sisters.

A "Youth For Christ" rally was conducted at the Hazard High School Auditorium Saturday night, March 8, with Major Harold Stout, of Atlanta serving as guest speaker.

Major Stout is director of Salvation Army youth work in 15 southern states and Mexico.

Accompanying the Major were Mrs. Stout and Captain and Mrs. Walter Sawyers, of Louisville, who direct youth work for the Salvation Army in Kentucky, Tennessee, and Arkansas.

Miss Joyce Wright, and Miss Ruth Wise, daughters of Mr. and Mrs. Jesse E. Wright and Mr. and Mrs. Jim Wise, Neon, Ky., have enrolled at Anderson College at Anderson, Ind., for the spring semester of the 1951-52 school year.

Joyce and Ruth are freshmen working towards bachelor of arts degrees. They were graduated from Fleming-Neon High School, Fleming, Ky.

Carrying out the last step in its process of liquidation, The Powell - Hackney Grocery Company, Hazard, sold its building to the Sterling Hardware Company, also of Hazard, Thursday.

Plans for liquidation of the wholesale grocery firm had been announced several weeks ago by concern president S. H. Powell after a strike by members of the United Construction Workers, an affiliate of District 50, United Mine Workers.

The U. C. W. struck to press a demand for recognition of the union as the grocery workers' bargaining agent.

Powell said the grocery business will be set up elsewhere in Kentucky, the exact site to be announced later. Nearing 70, he plans to retire, a report said.

Napier was separated from the naval service in March, 1946.

SERVICES HELD
FOR JAMES FELTNER

Services were held at the Combs Baptist Church Friday afternoon for James Eugene Feltner, 23, son of Mr. and Mrs. James Feltner, of Combs,

who was killed in an automobile accident at Richmond, Indiana, Monday, March 3.

He is survived by his parents, one brother, Charles, and one sister, Mary Elizabeth, of Dayton, Ohio.

E. L. Roper, who was riding in the car with Feltner, was injured and hospitalized in Dayton. According to reports received the car left the highway on a curve.

BILL ASHELY DIES

OBITUARY OF—
ALPHA WILLIS STAPLTON

Born April 21, 1871, in Lee County, Va., the daughter of John and Mary Elizabeth Willis. In 1894 she was married to R. E. Stapleton and he preceded her in death November 7, 1947.

She leaves five children: Lula (Mrs. Andy Wright), Bessie (Mrs. Tom Trinkle), Chester Stapleton, Hester Stapleton and Foster Stapleton, and 23 grand children and ten great grand children.

We thank the Lord for the fact that she made her peace with him 40 years ago and lived a good Christian life until death.

Mother Stapleton will be missed in Haymond and church and home. But heaven is richer, so goodbye mother, in a little while we will meet you again.

A PROCLAMATION WHEREAS the American National Red Cross, designated by the Congress as a voluntary agency through which the people of this Nation may answer the call of their fellow Americans in distress, is facing unprecedented peacetime demands upon its resources; and WHEREAS the Red Cross, as the national coordinating agency for the procurement of blood for defense, has greatly expanded its facilities for collecting the vast quantities of blood required for military and civilian use; and

WHEREAS this organization must continue to meet the need of servicemen, veterans, and their families for sympathetic aid and practical help with their problems, at home and overseas; and

WHEREAS in 1951 the Red Cross spent nearly \$14,000,000 for the relief and rehabilitation of victims of one disaster alone — the Midwest flood of last summer—in addition to helping to meet the need of thousands of other disaster victims for shelter, food, and a return to normal living; and

WHEREAS the organization is expanding its health and safety services in order to train Americans everywhere to protect themselves and their families against the hazards of everyday life or a national emergency; and

WHEREAS, the Red Cross is appealing for voluntary contributions amounting to a minimum of \$85,000,000, so that it may heed the call of those in need of assistance throughout the Nation in the year ahead:

NOW, THEREFORE, I, Harry S. Truman, President of the United States of America and Honorary Chairman of the American National Red Cross, do hereby designate the month of March 1952 as Red Cross month; and I urge every American to contribute during that month as generously as possible to this humanitarian cause.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this eighteenth day of February in the year of our Lord nineteen hundred and fifty-two, and of the Independence of the United States of America the one hundred and seventy-sixth.

—HARRY S. TRUMAN.

HIGHWAY DEATHS DOWN FOR LAST TWO MONTHS

Highway Safety Committee. Through March 5 there were 94 traffic fatalities, compared with 123 highway deaths on March 5, 1951. Jones said the greatest cause of highway accidents this year has been speed, with crossing the center line of a highway the second greatest cause. Some 4,000 accident reports have been received by State Police since January 1, he said. There were 740 deaths on Kentucky highways in 1951.

small kitchen?...small children?

Electric cooking is the big buy!

for comfort

Even in small kitchens like Mrs. P. F. Dillmore's, air stays cool and fresh when you've got an electric range. One big reason is the thick all-around oven insulation.

Electric oven insulation keeps heat in so well that electricity may be on for only a short while during a whole hour's baking! Stored heat does most of the job.

for safety

As Mrs. Dillmore says, "The safety feature of the electric range means everything to a busy mother with small children. There's no flame, no fumes, and no pilot light to go out."

Safe...cool...and MORE! Electric cooking is fast, clean, and thrifty, too. Big or small kitchens...large or little family—an electric range is your top-value buy.

Murder Trial Continued For William Sally, Jr.

The case of the Commonwealth vs. William Sally, Jr., 29, who is charged with wilful murder in connection with the fatal shooting of his father, was continued for the second time in Perry Circuit Court last week.

After deliberating most of the afternoon last Friday, the jury chosen for the trial failed to reach a verdict... voting nine for clearing and three for conviction. This was the second time juries have failed to agree.

Sally is charged with killing his father, William Sally, Jr., 62, at their Brown's Fork home in June, 1950. He entered a plea of self defense, stating that his father had shot and wounded another son, Grover, 24.

Meanwhile, in Perry Circuit Court last week, two cases were dismissed for lack of evidence, one person, Adam Miller, was found guilty for voluntary manslaughter, and sentenced to 21 years. His appeal for a new trial was denied.

In an inspection of both city and county jails the Perry County Grand Jury reported unsanitary conditions prevalent and recommended that the Perry County Health Department look into the situation.

Funeral services were held last week for Clarence Gross, 41, Lohair miner who was killed instantly on the morning of March 5 when run over by the motor he was driving in the Algoma Block Coal Company mine.

A native of Breathitt County, Gross had been in the employ of the Company for 11 years.

He is survived by his wife and seven children.

Funeral services were held at the Lone Pine Baptist Church, Viper, Wednesday, March 5, for John G. Whitaker, 21, who died in the Nichols Hospital at Louisville of injuries suffered in an automobile accident the preceding Sunday.

Mrs. Joe Napier, 65, of Bulan, was laid to rest in the Lotts Creek Cemetery after passing this life at the Hurst-Snyder Hospital.

She is survived by her husband, one daughter, Betty Jo Napier, a step-daughter, Ida Grigsby, a step son Adam Napier, two foster daughters,

two brothers and three sisters.

A "Youth For Christ" rally was conducted at the Hazard High School Auditorium Saturday night, March 8, with Major Harold Stout, of Atlanta serving as guest speaker.

Major Stout is director of Salvation Army youth work in 15 southern states and Mexico.

Accompanying the Major were Mrs. Stout and Captain and Mrs. Walter Sawyers, of Louisville, who direct youth work for the Salvation Army in Kentucky, Tennessee, and Arkansas.

Miss Joyce Wright, and Miss Ruth Wise, daughters of Mr. and Mrs. Jesse E. Wright and Mr. and Mrs. Jim Wise, Neon, Ky., have enrolled at Anderson College at Anderson, Ind., for the spring semester of the 1951-52 school year.

Joyce and Ruth are freshmen working towards bachelor of arts degrees. They were graduated from Fleming-Neon High School, Fleming, Ky.

Carrying out the last step in its process of liquidation, The Powell - Hackney Grocery Company, Hazard, sold its building to the Sterling Hardware Company, also of Hazard, Thursday.

Plans for liquidation of the wholesale grocery firm had been announced several weeks ago by concern president S. H. Powell after a strike by members of the United Construction Workers, an affiliate of District 50, United Mine Workers.

The U. C. W. struck to press a demand for recognition of the union as the grocery workers' bargaining agent.

Powell said the grocery business will be set up elsewhere in Kentucky, the exact site to be announced later. Nearing 70, he plans to retire, a report said.

BULAN MAN GETS COMMENDATION LETTER

Burnette Napier, hospital corpsman, third class, USN, son of Mrs. Grace Napier, of Bulan, Ky., has been awarded the Secretary of Navy Letter of Commendation for outstanding services as hospital corpsman, in action against enemy Japanese forces on Okinawa, Ryuku Islands, from March 17 to June 7, 1945.

Napier was separated from the naval service in March, 1946.

SERVICES HELD FOR JAMES FELTNER

Services were held at the Combs Baptist Church Friday afternoon for James Eugene Feltner, 23, son of Mr. and Mrs. James Feltner, of Combs,

who was killed in an automobile accident at Richmond, Indiana, Monday, March 3.

He is survived by his parents, one brother, Charles, and one sister, Mary Elizabeth, of Dayton, Ohio.

E. L. Roper, who was riding in the car with Feltner, was injured and hospitalized in Dayton. According to reports received the car left the highway on a curve.

BILL ASHELY DIES IN ASHLAND, KY.

Bill Ashley, 50, former employee of the Blue Diamond Coal Company at Toner, died at Ashland Sunday, March 3, after a long illness.

Services were held Thursday at the Little Dove Church at Sassafras. Burial was in the Cornett Hill Cemetery.

KENLAKE HOLDS OPEN HOUSE

Open house for an inspection of all of its facilities will be held March 15 at the Kenlake Hotel, the new \$600,000 hotel at Kentucky Lake State Park, the Division of Parks announced here today.

The Kenlake will be opened that day for business, and guests will be shownetaoinn guests and visitors will be shown through the rooms, lounge, dining room and kitchen throughout the day until 4 p. m.

The open house is expected to attract numerous visitors, because there has been considerable interest during construction of the hotel, which is regarded as the most modern park hotel in the nation.

The hotel was named in a recent contest which attracted 1,398 suggestions. Robert A. Blair, of Corbin, first submitted the name picked by a committee.

Swim Meet Opens At UK

Lexington, Ky.—University of Kentucky's Memorial Coliseum pool will be the site of the 11th annual Southeastern Conference Swimming Meet opening tonight with at least six crack teams in competition.

Kentucky Swimming Coach Algie Reece announced that the three-day tournament is expected to attract entries from defending SEC champion Georgia, Florida, Vanderbilt, Tennessee, and Georgia Tech. in addition to host U. of Ky.

The championships, open to the public free on Thursday and at an admission of 50 cents for adults and 25 cents for students Friday and Saturday, will feature approximately 80 of the south's leading tankmen in possible national record-breaking performances of speed swimming and fancy diving.

Talking It Up

With Russell Rice

All Whitesburg fans we talked to after the game last night agreed that Carr Creek was the better team and Whitesburg put up a gallant, though, losing, fight.

Notice the game score and compare it with the scores of the two regular season games when Whitesburg defeated Carr Creek. Last night's score, as we all know, was 82-54. On December 14, Whitesburg journeyed to Carr Creek and defeated the Indians 46-42. The Indians came to Whitesburg January 29 and suffered a 56-51 loss at the hands of the Yellowjackets. In the two regular season games Whitesburg had an average of 51 points per game and Carr Creek averaged only 46.5 points in each game.

The Yellowjackets bettered their average by three points in the tournament game . . . but, woe be to us, Carr Creek bettered its average by 35.5 points.

How did they do it? That's easy, they just hit most everything they shot at, controlled all the rebounds, faked Whitesburg all over the floor and played a smooth, flawless game of ball.

formance once or twice a year and if Carr Creek could perform once or twice a year and if Carr Creek could possibly continue the same brand of ball nothing in the state could handle them. You can't tell anything about a game before it is played, however, and we aren't conceding Carr Creek anything yet . . . they still have a couple very hard games between them and the State Tourney.

And who would have thought that Hazard would defeat Powell County so easily. That second game was almost as big a surprise as the Whitesburg-Carr Creek tussle.

In our book outstanding performances were turned in last night by Carr Creek's Smith, Frances, and Sammons; Whitesburg's Tolliver and Hall; Powell County's Nelson White and Hazard's Dick Keffer, Roscoe Shackelford and John Bowling.

Best actors (or biggest hams) of the doubleheader last night were the latter two mentioned above (Roscoe and John). They have a capable instructor in Coach Homer Osborne, who turned in some fairly good performances himself. A hint to you boys: The crowd enjoys your sterling play but sometimes gets a little peeved at your show-off antics.

Whitesburg Overpowers Fleming-Neon, 60-42, To Successfully Defend 53rd. District Crown

Wildcats Bow To Whitesburg

The Whitesburg Yellowjackets earned the right to be one of the 53rd. District representatives in the 14th. Regional Tournament at Hazard this week when they defeated the Kingdom Come Wildcats, 55-43 Thursday night.

Falling behind 7-0 in the first three minutes of play, the Kingdom Come boys rallied to tie the score, 11-11, by the end of the first quarter.

Whitesburg scored first in the second quarter to take a 13-11 lead. Kingdom Come tied the score at 13-13. The Yellowjackets hit for ten points in four minutes while holding the Wildcats scoreless to open a 23-13 lead.

In the last two minutes of the second period Kingdom Come hit for three and Whitesburg one to make the half-time score Whitesburg 25, Kingdom Come 16.

Whitesburg outscored the Wildcats four points in the fourth quarter, at the end of which they led 40-27.

Kingdom Come had a one point edge in the fourth quarter, outscoring Whitesburg 16-15. Final score: 55-43.

Trotter Play In Memorial Gym Monday

A huge novelty basketball doubleheader, topped by the fabulous Harlem Globetrotters has been scheduled into Memorial Gym, Monday night, March 17th at 7:00 p. m. at Hazard. The impish Globetrotters, now in their silver anniversary season will play the Boston Whirlwinds in the featured game, while the first tilt bring together the House of David and the Hawaiian Ambassadors.

The Globetrotters' famed comedy, "floor show" will be an added feature. The great showmen of the court put on stunts that are rib-tickling and uproarious. In addition the Hawaiians will have their famous Hula dancers and other entertainers, besides other featured acts.

The team is celebrating its twenty-fifth season of activity and is in the midst of a spectacular anniversary season. Last year they became the first basketball team in history to go on a full-year around basis.

MARRIAGES....

(Continued from page one)
Sol and Nora Caudill Blair and she is the daughter of Cro and Cindy Whitaker Adams, of Isom.

Three marriages were reported over the past week end, one on Friday and two on Saturday.

Married at Whitesburg Friday, March 7, were Teddy Hurley, 21, and Christine Neace, 17, both of Buland County Judge Robert B. Collins performed the ceremony.

Taking their marriage vows on Saturday, March 8, were Charles E. Caudill, 19, and Sarah Caudill, both of Whitesburg; and Douglas Kilbourne, and Wanda McWilliams, 17, both of Blackey.

Charles Caudill is the son of John P. and Pearl Quillen and Sarah is the daughter of John M. and Mae Enfusse Caudill. They were married at Whitesburg by Reverend Curtis Caudill.

Pirates Win Over Eagles

The Stuart Robinson Eagles put on a desperate fourth quarter drive in their Friday night challenge to Fleming-Neon's right to participate in the 14th. Region Tournament.

The drive failed, however, after Dorace Fields, who had led his team mates to within three points of the Pirates, fouled out with three and a half minutes remaining in the game.

Closest play in the game occurred in the first quarter, when the score was tied four times. At the end of this period, Fleming-Neon led 14-12.

The Pirates increased their lead in the second quarter, at the end of which the score read: Fleming-Neon 33, Stuart Robinson 28.

With three minutes of playing time left, the Eagles pulled to within three points of the Pirates 42-39 on two straight jump shots by Dorace Fields.

Free throws by Hawley and Williams pulled Fleming-Neon back out in front by five points. A push shot by Dixon cut the lead back down to three points.

Led by Williams, who scored four points and Bill Patrick, who hit two free throws, the Pirates shut out the Eagles for the remaining game, while hitting six points, to take a 50-41 victory.

Dorace Fields led all scoring with nine field goals and three foul shots. Williams was high for Fleming-Neon with 13.

stated, "if the City owes the money, it will just have to pay."

He then asked attorney Fields to look into the matter and to pay special attention to a recent decision handed down in a Pikeville case.

Other business transacted included motions seconded and passed to allow the night policeman \$15.00 per month for gas for his auto; to allot \$15.00 for the annual supper of the Whitesburg Fire Department; to purchase an oscillating light for the new fire truck, and to look around for a good used car to be used as a City police car.

A committee has been looking into the commercial garbage situation with the objection of equalizing the commercial garbage rates. Places of businesses are to be charged according to the amount of garbage they have hauled.

Absent at the meeting were councilmen Arthur Dixon and Smith Setzer.

PLAY....

(Continued from page one)
as performed by the Fleming-Neon students, rated it as "Excellent," which is something for the students to be proud of in their first year of drama competition.

Douglas Kilbourne is the son of H. D. and Irene Madden Kilbourne and his recent bride is the daughter of Wallace and Mable Hamilton McWilliams. Judge Robert B. Collins performed the marriage ceremonies at Whitesburg Saturday.

Indians Drop Jackets From Regional Play

A red hot tribe of Carr Creek Indians served notice last night that they were the team to beat in the 14th. Regional Tournament as they completely dominated a fighting Whitesburg five to come out on the long end of an 82-54 score.

The bigger Carr Creek boys took the lead in the opening minute of the game and were

only closely challenged by a gallant Whitesburg crew during the first half, which ended with Carr Creek leading 36-30.

Sam Smith was the big gun for Carr Creek in the third quarter, pouring in eighteen points during that period. Carr Creek made a total of 32 points during the quarter while Whitesburg could manage only 14.

The last quarter was almost a repeat of the third quarter as Carr Creek outscored the Yellowjackets 24-10 to make the final score 82-54.

Big difference in the two games was Carr Creek's height and amazing accuracy on all types of shots from the floor.

The Indians will meet Hazard, winner over Powell County (72-54), in a Friday night's semi final bout.

OBITUARIES

It is with a sad and aching heart that I will try to write an obituary of our dear loving father, Charles Hustin Mullins. He was born Dec. 20, 1871, died March 6 1952, making his stay on earth 81 years, 2 months and 15 days. He is survived by three children, Wm. Mullins, Norfolk, Va.; Ruie Mullins, Cromona; and Mrs. Garrett Sergeant, Ages, Ky.

He was also the father of the late Estel Mullins. One sister Mrs. Pete Collier, Neon, two brothers, Lee Mullins, Pike-

ville, and Arthur Mullins, Morehead and eight grandchildren. Duard, Darvin, Wm., and Thelma Ruth Mullins, all of Norfolk, Va.; Norma Jean, Donald Dean, and James Mullins of Cromona, and Charles Sargent of Ages, Ky.

Father had been sick for a few days. We hope that he is resting in peace where there is no trouble and sorrow. The place in our home is vacant, but I think he has a better home above. Written by his daughter-in-law,

—MRS ESTEL MULLINS. 1tp.

Services were held at the Colson Baptist Church Tuesday for Julia Taylor, 66-year-old Colson resident who died at her home Monday morning after a lingering illness.

Born at Colson, October 26, 1885, Julia was the daughter of Jasper Collins and Mary Bowens Collins. She was married to Frank Taylor, who preceded her in death.

She is survived by four sons, Carl, Coy, and Claude, of Colson, and Clyde, of Isom.

Burial was in the Colson

Consol (Ky.) Has
Best Record In Years

According to "The Check Board" Jenkins publication for the employees of Consolidation Coal Company (Ky.), the preceding year, 1951, was the best year for safety Consol has ever had in this section.

During the year 21 complete inspections were made at four Consol mines in the Jenkins area by state and federal inspectors and at the end of each inspection there were no uncompleted recommendations.

There wasn't a single recommendation on three of the inspections; two had only one recommendation; five had only two; and the highest reported on any inspection was nine.

In every case, all of the recommendations were cleared before the inspector left the mine.

A comparative accident frequency table prepared by the magazine listed the Clover Splint Mine first with a 5.9 rate for 1951, which was a 46 percent improvement over last year.

Mine 204 was second with an 8.6 rate, a 63 percent improvement and Mine 214 showed no improvement while holding down a low 9.0 rate.

Although in last place among Consol mines here, Hendrix's 11.2 rate is far better than the state or national record.

Uncle Sam Says

Here is some sound advice—in making a regular purchase of U. S. Defense Bonds you help protect America, and help in making your dreams come true. May is Defense Bond Month. This is the month when you get out into the open and dream of those things you would like to have or to do. "If I only had the money" you say! Millions of Americans can give you the answer—"Sign up at your company's pay office for the regular purchase of Defense Bonds today."

Letcher in Detroit...

by Rev. Byrd Adams

DETROIT—The first person I mentioned in my column about Kentuckians in Detroit (published in The Mountain Eagle at Whitesburg early in March of last year) was Robert Potter, a young man from Millstone, Ky. During the year that I have written these columns I have made many new friends and renewed the old. Arm loads of mail have arrived from readers in ten states who take their home town papers for which I now write. Just this week I had a letter from the above mentioned Robert Potter, whom I came to know when he worked as clerk for the same corporation with which I am employed in Detroit. Robert, now Pfc. Robert P. Potter, of ed in the Air Force.

"I like the Air Force fine so far," he said in his letter, "but I sure would like to get away from this base."

"I was supposed to ship to Phoenix, Arizona about two weeks ago, but I got red-lined because I didn't have a rain coat (which they never did issue me) when I had my clothes checked. But I have one now, so, I should be alerted again pretty quick. They don't keep you here long after basic."

"Tell all the guys at Chrysler I said hello. I hope I get to come near Detroit when I ship to my next base. I finally got so I really liked that place—but, I'll be back in four years."

He said he had an 18 day furlough coming in July and expected to visit Detroit a few days then. I'm looking forward to seeing the old boy in uniform. Maybe I'll be compelled to join him — who knows?

A letter from Sarah Asher Boles, who is residing in Florida with her parents, said she knew most of the people from Bell county who have been mentioned in her home town newspaper at Pineville (in the Pineville Sun's "Bell in Detroit" column), Kentucky.

"I have been reading your column in the Pineville Sun for some time now and I like it very much. I am now residing with my parents, Mr. and Mrs. W. M. Asher in Orlando. They were formerly from Four-Mile, Ky."

She mentioned some relatives who reside in Detroit and gave me their addresses. Her uncle Tippi Asher, now here, knew the Rev. Orville Collins who spoke recently at the Samaritan Missionary Baptist Church in Detroit. Both he and Mr. Collins used to attend the Bell-Jellico Baptist Church.

From Huntington, West Virginia, came a letter from Mr. Berkeley J. Sizemore, formerly of Ermine, Ky., who is a traveling representative for the Beechnut Packing Company and a regular reader of this column in the Whitesburg newspaper. He mentioned the Willard Combs and Roy Absters and others who live here.

Mr. Sizemore, who graduated from Whitesburg High before the last World War, said that his mother, Mrs. Pernil Sizemore, of Ermine, is now living in Baltimore, Md.

Mrs. L. B. Collins from Springfield, Ohio, writes saying:

"My sister, Myra Hall, of Jackhorn, Ky., sent the Moun-

tain Eagle to me for one year beginning in December and I read your column. Think its wonderful. Last week's paper had lots of names of our folks who live in Detroit.

"My husband is Delzy Collins, better known as Sheriff Collins. He was officer for four years at Seco, Haymond and Fleming. He is also a brother to officer Bill Collins at Blackey. He has a nephew and niece living in Detroit: Lee Collins and family, Miss Faye Collins, Miss Mable Collins. Also, Delzy's brother, Burnett Collins, widow, Louinio Hale Collins and her son Earl.

"I have a sister, Mrs. W. T. Overton, at Lincoln Park, Michigan. I also have some real nice friends in Detroit."

Mrs. Collins, whose son, Sherman, a twin to Thurmon now in Springfield, O., was killed on the training fields in Elgin, Florida, in a truck accident after making his 152nd. parachute jump with the army, said that Mr. and Mrs. Joe Buttermore of Detroit were good friends of her son, Venard, who married a Detroit girl during the war and now lives in Whittier, California.

The Kentucky Barber, George Estil Mays, and his wife, daughter of Major George A. Ingram of Williamsburg, now in Germany, have just returned from a trip to George's hometown of Pineville, where they had gone with Mr. Herman Faulkner in his new Studebaker to pick up Mrs. Faulkner and George's mother, Mrs. Mary Mays. Mrs. Mays and Mrs. Faulkner had gone down two weeks ago to attend funeral services of W. C. Keel. Mr. and Mrs. George Estil Mays and Mr. Faulkner who had also gone down for the funeral services returned leaving the two women behind for a stay of two weeks.

Estil's barber shop is a center for the congregation of Kentucky men, especially from the Southeastern part of the state. The shop is located at 5521 Third Avenue off Perry St. (between Warren and Grand Boulevard).

Mail all correspondence to: Rev. Byrd Adams, 5421 Third Avenue, Detroit 2, Michigan.

Miss Grace Grimmes formerly employed with Kreisge's, here in Detroit and daughter of Mrs. Roy Grimmes and Bobby Vanhoose (just discharged from the U. S. Army) were recently married at Clintwood, Va., and are now making their home in Cleveland, Ohio.

Mr. John Krolo, drove his mother Mrs. Martha Berlin of Detroit, to visit friends and relatives in Letcher County and Va., for a short while last week.

Mr. and Mrs. Roy Grimmes and children, were visiting Mr. and Mrs. Bill Blair Jr., and family Sunday.

STATE MOTHER WILL BE NAMED APRIL 15

The Kentucky Mother of 1952 will be selected April 15, it was announced this week by Miss Chloe Gifford, director of the University of Kentucky Bureau of Club and Community Service and chairman of the State Mother selection committee. Any Kentucky mother is eligible for nomination, and nominations may be made by any resident of the state. The woman chosen as State Mother automatically will become a candidate for the American Mother of the year title. Nominations will be accepted until April 13, Miss Gifford said. Nomination forms may be obtained by writing Miss Gifford at the University.

Red, white and blue posters bearing the OPS "HELP FIGHT INFLATION" emblem and the words "COOPERATING TO HOLD PRICES DOWN" began to appear in filling stations, grocery and dry goods stores and other retail establishments in many Kentucky communities this week.

The display material was prepared by the Office of Price Stabilization in answer to requests from businessmen who wish to assure their customers they are cooperating with the price stabilization program. About 16,000 posters and 4,000 cards were furnished by the agency's District Office in Louisville through the cooperation of individual companies, Chamber of Commerce and trade associations.

Western Kentucky State College, Bowling Green, occupies the site which General Albert Sidney Johnston once used as a fort.

The Parson Says

—by E. Hampton Barnette

Those of us who have been granted the degree of grandparents receive many and varied honors unknown to those who have not yet attained to that high position.

Some time ago I learned that a certain cooked egg had been named for me by my grandchildren. If they could get a "Granddaddy Egg" they stood a better chance of eating it. If it was just an hen egg, well it was just another egg in their breakfast diet. On careful investigation I found out this special egg was broken and dropped in boiling water, and cooked until it had "no blood" in it. I suppose when I have to spank them they will say, "Bad granddaddy egg!"

It looks like the flu has about taken its flight over the mountain. Thanks to boneset tea, peppermint, old field blossom, elem bark, goose grease, codliver oil and good doctors and nurses. The new

drugs such as penicillin, and the streptomycins and their kindred, have gone a long way down the road toward the health of the people. We might live longer because of these new drugs, but what for?

The parson had a letter from the Reverend William H. Poore, one time pastor of the Whitesburg Methodist Church, and teacher at the high school. He said, "I have mingled emotions as I peruse what the Parson says." Dr. Poore has been the gorgeous pastor of the First Methodist Church, Richmond, Ky., for some years. That word "gorgeous" has nothing to do with eating. The people in these parts will remember him kindly, and attend his church when they go to Eastern State College.

There are a few old friends I like to see around the coffee shops of Cossie Quillen and Woody Dawahare. Sometimes I just happen to get there as some fellows are setting down to a steam hot cup. Gordon Lewis, Remus Day, Bill Blair, Willie Lucas, Blaine Polly, and Dr. Lee Moore can be found at these coffee resorts about 9:00 o'clock some mornings, and I know it very well.

If all of you who read this will just get up and go to church next Sunday you will

confer a favor upon me. You will not do yourselves any harm by so doing. You old grouches get up and go with your wives to church, and change the expression on your faces.

CARD OF THANKS

We wish to thank all of our friends and neighbors who have been so kind to us and for all the donations and everything that has been given since I have been down in bed with cancer. To all who have been so good to come and see me, I want you to know that you have been a great help and comfort and we will never forget it as long as we live. We know that God will bless you all for the good things you have done for us. We want all the good preachers to continue to come every Saturday night. Everyone is welcome, the Lord knows that. Once again, thanks to everyone and God bless you all.

Also thanks to Dr. Lundy Adams, Blackey, and Dr. R. D. Collins, Whitesburg.

Love,
Mr. & Mrs. Squire Adams,
And Family.

Safety On Our Highways

—by Windus L. Williams

This past week there were some that were picked up through traffic inspection on having defective brakes. Are your brakes in condition?

Some received warnings for having improper equipment, (such as defective lighting, no clearance lights on trucks, no stop lights, etc. You had better start considering these things before you are taken into consideration.

There are also some who for some reason or other desire the middle of the road or riding the white line. This is called road hogging and is a very serious thing to do, are you guilty of this?

This past month has been clear of fatal accidents although we had a few small injuries. They don't realize how lucky they were.

This month keep the white flag waving and let's have another "no fatal accident" month.

Slogan: He who keepeth within the law is a wise son.

HAYMOND NEWS

Mr. and Mrs. Ellis Kincer, of Haymond, and Mrs. Claude Austin and daughter Anna Lou, of Seco, met Mr. and Mrs. James Williams in Lexington and all went to see Mrs. Austin's son, Jack Adams, who is taking treatments there. ● Effective March 17, the charge for local calls from public telephones in Kentucky will be 10 cents. However, it will take approximately a week for all coin telephones to be converted to 10-cent operation.

Under the new arrangement, the user will deposit one dime or two nickels.

This revision of the local call rate for public telephones is necessary because of the higher costs of providing telephone service.

Child Welfare

The Child Welfare Division officers protective services through its child welfare workers to children in their own homes, and in foster homes, and the Division also has power to make adoption placements. Child Welfare offers no direct money grants, and in this way differs from Aid to Dependent Children, which is a money grant plant under the Public Assistance Division. The emphasis of all these rights for their children. activities of the Child Welfare Division is on the importance of the home to the child.

We all know that there are certain rights which ought to belong to every child. He should have the right to grow up with his own mother and father in a home where he is wanted and loved. He has a right to be respected as an individual in a free society, and to know what society will expect of him. He has a right to be with other children, act like them, and be happy.

The home is the place for this security to be achieved, and the place to develop the child to mental and emotional maturity.

But many adults, for many reasons, are unable to realize. Some are physically ill, some are mentally ill. Some, because they are unable themselves to face the problems of life, abandon their children, some die.

And so there may develop in the community certain situations in which it is clear that the child is not receiving from his own home all of his needs. And if this lack in the home reaches a certain point, the community, to protect itself and the child, must step in and try to alleviate the situation.

In order to obtain use of the fly spraying equipment, communities must first formulate a good basic sanitation program including adequate garbage collection, waste disposal and other sanitary measures. Further information is available from local health departments or from Mr. Lacy at the Kentucky State Department of Health, 620 South Third Street, Louisville.
